# Tennis Instruction

**\* Programs are for members and non-members.**

## Lesson Philosophy

Green Valley Swim and Tennis Club clinics, camps, and lessons are designed to inspire and help develop all areas of tennis, including: physical, technical, tactical, and mental/emotional. Instruction is taught with patience and understanding in a stress-free environment. Learning new techniques and fundamentals will lay the foundation for playing tennis at the level you want to pursue. We aim for participants to gain a new found sense of confidence through the sport of tennis.
