I know and understand that: (a) diving, swimming, accessing swimming areas, participation in swim lessons, swim instruction, fitness class and tennis instruction (the "Activities") and/or making any other use of the facility involves risk, including risk of personal injury and death; and (b) while engaging in Activities, I will be exposed to many natural, mechanical and environmental conditions and risks that independently or in any combination with my Activities or the Activities of others may cause injury including severe or fatal injuries to myself or others.

I agree that I alone am responsible for: (a) my proper preparation and safety while engaging in Activities; and (b) the preparation and safety of minors over whom I have control and/or supervision at the Facility. I have no physical or medical condition that would endanger me or others, while I am engaging in Activities. I am physically capable of participating in Activities and making the ordinary, regular, and intended use of the Facility. I am responsible for knowing and following all of the Facility's rules and procedures.

Being fully aware of the risks, conditions and hazards associated with my participation in Activities, **I HEREBY ACKNOWLEDGE**, that: (a) my participation in Activities is at my own risk; and (b) neither the Facility, nor any owner, operator, manager of, or service provider to the Facility, including but not limited to Coppermine Green Valley Swim & Tennis Club, LLC and GVST Holdings, LLC or their respective officers, directors, founders, owners, employees, agents, or any other affiliated individuals and/or entities (the Indemnified Parties), are in any way responsible for my safety while at the Facility. **I FURTHER AGREE TO WAIVE, RELEASE, AND DISCHARGE**, for myself, my heirs, executors, administrators, legal representatives, assignees, and successors in interest (hereinafter Successors), any and all claims of damages for death or personal injury that I may have or that may hereafter accrue to me as a result of my participation in Activities, against any and all Indemnified Parties, to the fullest extent permitted by law, whether or not such injury was the result of negligence or carelessness on the part of any of the Indemnified Parties, and whether or not such injury was foreseeable, including all such claims regarding the design, maintenance, or condition of any structure, equipment, or device at the Facility, or of the Facility, without regard to whether such equipment or device is specified or recommended by such Indemnified Parties, and without regard to whether such Indemnified Parties are properly charged with the maintenance of the Facility.

I further agree, for myself and my Successors, to forever **HOLD HARMLESS** and **INDEMNIFY** all Indemnified Parties, generally and specifically, from any and all liability for death or personal injury resulting in any way from my participation in Activities.

I also agree, for myself and my Successors, that the above representations are not mere recitals, are binding, and are intended to be as broad and inclusive as permitted by the laws of the State of Maryland. I further agree, for myself and my Successors, that should I or my Successors assert any claim in contravention of this agreement, I or my Successors shall be liable for the expenses (including attorneys' fees and costs) incurred by the other party or parties in defending against such claim, whether or not such injury was the result of negligence or carelessness on the part of the party or parties to be indemnified. I also agree that this agreement is for the benefit of all Indemnified Parties, all and any of which shall be entitled to enforce this agreement against me.
